Children's Day.

"Children's Day" at Gilead was a great success and reflects great credit on Miss Ida McKee and her assistants, Mrs. Ernest Gillaspie and Mrs. Chas. Hainline, as well as on all those who took part in the exercises.

The pastor, Mr. Hibshman, had drilled the chorus and the singing was excellent, but the drills and recitations were put on by the ladies mentioned. The orchestra was a pleasant feature. Miss Ida McKee at the organ, Mr. Clay Fogg, cello, and Mrs. Hibshman and Mrs. Fogg, first and second violin.

The recitations were all good, but Miss Hamilton's was especially fine, and little Miss Theresa Hainline captured the audience by her reciting and singing. More than 300 people were in attendance.

A Card.

June 23, 1913.

To the Democrats of Mt. Sterling:

After making a canvass of the city, I find that matters are so arranged that a unity of interests make it impossible, for me, single-handed, to secure the nomination for Mayor.

In view of this situation, I have concluded to withdraw as a candidate for the Democratic nomination for Mayor, before the State primary, August 2, next.

I desire, however, to embrace this opportunity to thank those who have so generously proffered me their support and to assure my fellow-citizens, irrespective of party, that I stand ready at all times to assist, in my limited way, in the material upbuilding of our community. Respectfully,

G. E. COONS.

Liberal Proposition Made Residents of Maysville Pike.

A resident of Mt. Sterling, Ky., who is neither a farmer nor a merchant nor the owner of an automobile, but having a desire to see a first-class turnpike road made out of the Mt. Sterling and Maysville Turnpike, makes the following proposition with that in view. He will be one of the ten men to subscribe similar amounts, the other nine to fix the amount, provided only that the amount is not less than One Hundred (\$100.00) Dollars, and the work to be done under the control of the United States Engineer.

The above proposition was made to Dr. W. R. Thompson, President of the Business Men's Club, who will produce the gentlemen when the proposition is accepted.

Mr. B. F. Buckner to be Transferred to Atlanta.

Mr. B. F. Buckner, who has been manager of the local telephone company for several years past will be transferred in a short time to Atlanta, Ga., where he will be in the engineering department. Mr. A. J. Miller, who has been manager of the Cumberland Telephone Co., at Winchester, will be manager of the merged plants at that place. Our citizens will learn of Mr. Buckner's transfer with much regret as he has made a very efficient and popular manager and during his stay here has made many friends. His successor has not yet been chosen.

Keep the Home Dollar at Home

\$ \$ \$ \$ \$

Don't send that DOLLAR away! Spend it in your home town! A DOLLAR put in circulation here is worth any number in the mails or in the mail order house's pocket.

When you send that DOLLAR away some other community makes the profit that might just as well be made by yours.

DOLLARS ATTRACT DOLLARS.

For every DOLLAR in use in your locality another DOLLAR will come. Conversely, every DOLLAR that is sent away has a pulling power on another DOLLAR that is left behind.

A DOLLAR spent in your home town helps to make your neighbors just that much more prosperous. To that extent, also, it makes the community more prosperous. And it makes you profit in just the same way that the community does.

When there is plenty of money in circulation everybody benefits. That's why you should keep just as many DOLLARS here as you can instead of sending them away. By PATRONIZING HOME INDUSTRIES you can do this.

Isn't it worth while thinking over?

Jaw Bone Broken as Result of Having Tooth Pulled.

After having suffered a month with a broken jaw bone, as a result of having a tooth extracted, Porter Huls, twelve-year-old son of Mr. and Mrs. William Huls, proprietors of the Oil Springs Hotel, was taken to a Lexington hospital Monday morning, where an operation was performed Tuesday. The tooth, which was extracted, was found to have an abscess at the roots, and it was believed the painful swelling and terrible suffering of the boy during a long period was due to this. The child did not respond to the treatment and was taken to Lexington, where an x-ray examination showed that the jaw bone was broken squarely in two.

The name of Judge Robert H. Winn, of Mt. Sterling, former Judge of the Court of Appeals, is now linked with the Republican nomination for United States Senator next year, and rumor has it that the Mt. Sterling jurist will formally enter the race at the proper time. Judge Winn's supporters claim that as he is a straight Republican who has not been identified with any faction of the party makes him most acceptable to all. He is highly regarded all over the State as a strictly high-class Republican and should he become a candidate is certain to develop much strength, his supporters and admirers say.—Louisville Times.
